 Address _____
 Phone: _____
 Cell Phone: _____

Landowner's name, if not provided above: _____

Description of problem (be specific):

Preference of Contractor to Perform Repair: _____

By signing this work order, the undersigned directs the trustees of the drainage district to assign the work order to a contractor who is approved to work on district facilities and the contractor may not be the preferred contractor listed above. The signer of this work order agrees to assume all costs (including, but not limited to, labor, materials, and fuel) associated with the excavation, maintenance, repair, and/or replacement of any privately-owned drainage tile performed as a result of this work order. All costs associated with the excavation, maintenance, repair, and/or replacement of any district-owned drainage tile will be apportioned and billed to the corresponding drainage district. The signer of this work order acknowledges that it can be difficult to ascertain the scope of a drainage problem and/or the ownership of a particular drainage tile without excavating the tile. The signer of this work order agrees to assume all costs associated with excavation of a privately-owned drainage tile this work order agrees to assume all costs associated with excavation of a privately-owned drainage tile performed as a result of this work order, even if the signer assumed the work would be performed on a district-owned drainage tile at the time this work order was submitted.
